

EXPERIENCED.PROFESSIONAL.RESULTS.

KNOW YOUR TEAM. GET RESULTS. Experience the difference. When you work with M Force, you're getting a dedicated team with more than two decades of experience. We've got what it takes.

BETTER TOOLS. BETTER CANDIDATES. Our Professional Services team has the tools to find the best people. From targeted email campaigns to advertising, job boards, referral programs and social media. Our specialized searches mean better candidates.

Krista Jones
Recruiting Account Manager
Professional Services

“Krista is very professional and went beyond expectations doing her research of our company, work environment and staffing needs...It has been a pleasure working with Krista and an organization that puts in the extra effort to really understand your business and the positions they are recruiting.”

-Director of Finance, Design and Manufacturing Company

“We have dealt with other staffing agencies and the candidates we get from M Force are far more prepared and professional. We will definitely continue to work with M Force for any future needs.”

- Director of Operations, Specialty Distributor

“Krista has always provided us with well qualified candidates that enable us to speed up our hiring process. She always takes time to listen and fully understand our needs.”

-CFO, Technology Company

“Krista is always very responsive and has a good understanding of the many different professional roles needed within a technical business. She has always provided candidates for interviewing that are a good fit for the position and I would trust her with any future opportunities.”

-Director of Operations, Technology Company
