The Force Behind Successful People

From recruiting to hiring, the do-it-yourself process is time consuming and expensive. M Force provides a practical solution. We screen candidates, assess skills, and verify credentials based on your job requirements—saving you time and money. M Force will help you find the right person, for the right job, at the right price.

The Right Focus

We focus on recruiting and placing technical professionals. Our depth of knowledge and experience in serving the design, engineering, architectural, and manufacturing markets make us the right choice for your technical staffing needs.

Industries

- Engineering, Design, & Drafting
- Information Technology (IT)
- Scientific
- Industrial & Manufacturing
- Aviation

Hiring Options

- Contract Employees
- Contract-to-Hire Employees
- Direct Hire Employees
- Payroll Services

Staffing & Recruiting

- Executive
- Professional
- Technical

The Right Offerings

Our access to qualified applicants through an extensive database of resources, resumes, and job/candidate websites enables us to find the best fit for the job.

Through special partnerships, M Force has the resources to train, test, and certify suitable candidates in the use of design and engineering software, including AutoCAD®, SolidWorks®, MicroStation® and other engineering design software applications.

The Right Objectives

- Technical focus
- Extensive candidate database
- Design and drafting training—SolidWorks and AutoCAD
- Direct hire, contract, and contract-to-hire placements*
- Skills testing, background checks, drug screening, and credit checks
- 48–72 hour turn-around on most placement requests
- Customer satisfaction guarantee
